

Dear Resident

You may recall a recent article in the Brettenham Village Magazine regarding the Neighbourhood Plan. This document is produced by local people and intended to support them in influencing the planning and development of the area in which they live. It looks forward for up to 20 years and can:

- Develop a shared vision for the parish
- Choose where any new homes or developments may be built
- Influence types of development
- Identify and protect important local green spaces or other treasured assets.

The earliest written record of Brettenham comes from the Domesday Book of 1086. With almost the entire built-up area of the village defined as a conservation area, the parish contains ancient woodland and views of outstanding beauty. St Mary's Church dates back to the 14th Century and is one of only 14 churches in Suffolk to have a south side tower. In 2011 data from the census indicated that Brettenham then had a population of 353 people and 122 dwellings. The most recent government estimates suggest that the population is 318 but the results of the 2021 census when published in a couple of years will provide a more accurate number. More information about our village and the Neighbourhood Plan can be found on the village website www.brettenham.onesuffolk.net.

This survey is intended to provide information about the aspects of the village we want to preserve and protect as well as explore what developments might strengthen and improve life for our community in the future. Although there is a large focus on housing development there are many other aspects over which we can have some influence, that you may find important. In usual circumstances we would have held some public meetings to find out residents' issues for discussion, but this has not been possible due to COVID. We have therefore tried to make the questionnaire as broad ranging as possible, but you will find plenty of opportunities to write things down and the final section asks you to comment on anything you feel has not been covered, so good or bad – get your point across.

Some question areas may not necessarily, in the event, add to the Neighbourhood Plan. However, they will give ideas about what community activities/services you may think would improve village life. These will be considered and progressed separately.

Please take this opportunity for your household to have a say either respond collectively as one household or complete the survey individually.

Chris Clarke
Chair Brettenham Parish Council

Brettenham Residents' Survey

1. How to complete the survey

The best way to complete the survey is online. Use this link and follow the instructions <https://www.smartsurvey.co.uk/s/Brettenham/>

Or visit www.brettenham.onesuffolk.net/NeighbourhoodPlan and follow the link.

When you have completed the survey

If you are unable to complete the survey online, complete the hard copy of the survey and return it to either **Arundell House, The Street, Brettenham** or **The Granary, Potash Farm, Buxhall Road, Brettenham**.

Please return your survey no later than 4pm on **Wednesday 9th June 2021**.

Tips for completing the survey

Please answer all questions as though no lockdown restrictions apply.

As a family

If you are going to complete the survey online (which is recommended) use the paper copy to collect your opinions and views before starting to complete the survey online. If you have different views to other members of your family and you are 16 or over, submit your own survey. Family members under 16 are welcome to add their comments at the end of the survey.

Need help?

If you would like to complete the survey with the help of someone to explain or read the questions, please do not hesitate to contact Chris Clarke on 01449736607 or Beth Clarke on 07881892166

2. What happens next?

The survey results are collated by an independent third party called Places4People planning consultancy who are instructed by Brettenham Parish Council. This is likely to take a few weeks. We hope to then display the findings at the Village Hall with further opportunities to discuss and define our Neighbourhood Plan.

Let's get started and all be part of Brettenham's future.

6. Housing - Building need/Design/Local heritage and heritage

There are currently around 120 dwellings in the village. Babergh District Council's Local Plan has not allocated any new housing in Brettenham but it does allow for infill lot development.

The neighbourhood plan could propose that more housing should be developed, or it could simply provide guidance on types and design for the small numbers of houses that might be built.

The following questions will help to determine how the residents of Brettenham want to influence development in the village and record this in the Neighbourhood Plan.
