3. To discuss the planning application referenced as DC/22/02237 - Rattlesden Gliding Club, High Town Green, Rattlesden (Part in The Parishes Of Felsham & Gedding), IP30 0SX

The parish council was supportive of the gliding club as a whole but had some concerns on the planning application, including amendments to the limit on the number of aircraft that may be operated at any given time, a new permission of a larger, heavier towplane to be operated without restrictions on size or noise levels, and the fact that the PC was not consulted by the club prior to the planning application. A two-year sunset clause was also suggested to provide reassurance to the community. Christopher Garibaldi would be put into contact with the gliding club to make sure that the parish council would be kept up to date and consulted on any future changes. Harvey Daniell offered to prepare a draft response to BDC for review and approval by the parish council.

4. To review and sign off the annual accounts 2021-2022 – documents circulated prior to meeting
